Onsite Sign-in

There will be onsite sign in for the course on Friday morning at 8:00 AM at the Crossed Arrows Training Site. Sign-in is required so that we have an accurate record of your attendance for Continuing Medical Education credits.

Course Description

“Learn the skills to prevent medical problems; reduce suffering and save lives in non-traditional medical settings

- Earn your Advanced Wilderness Life Support certification
- Learn the latest practical hands-on wilderness medicine skills for patient assessment, treatment and evacuation protocols
- Practice your skills in live scenarios with our expert instructors
- Obtain up to 20.5 hours of category 1 CME*
- Receive Wilderness Medical Society Fellowship credits

Course Objectives

To provide a practical foundation in Wilderness Medicine for medical professionals

To teach patient assessment and treatment guidelines for life support until definitive care or evacuation is available

To train the provider in methods for managing medical and trauma emergencies and urgencies in the wilderness when evacuation is unavailable or unnecessary

Topics Include:
